

Peace Lutheran School Volunteer Survey 2009-2010 School Year

Get involved!

God has gifted us each with unique talents. Can you use yours to give back to Him?

A lot goes on at Peace, and we could use your help. Please fill out the survey below to indicate what ways you might be interested in volunteering or areas you'd be interested in participating in. This is not a commitment to help, but if you indicate interest we will be in contact with you to discuss it further.

Please note: Activities that involve working one-on-one with students may require submitting fingerprints for state and federal criminal background checks. If you are asked to serve in a capacity that would require this, we will be in touch with you on what needs to be done.

Please check all that you would be interested in!
